A-Eisenstadt, October 2019

Dear Friends and Mission Partners,

Many of you have been our dedicated and faithful supporters for decades, first during our time in Papua New Guinea, then for the 21 years or so that we have been here in Austria, and now in our international 'Member Care' ministry!

We do not take any of your support for granted.

It has been enough until recently to cover all our costs – **and we give heartfelt thanks for this!**

As we have a long-standing personal bond with you, we feel we are able share a great personal concern with you: We do not wish to conceal from you that the donations we have received over the past year have not been enough to cover our cost of living.

There is a shortfall of €700 a month – to cover our living costs, national insurance (social security) and working costs.

If seventy people were to give €10 a month this would make up the amount needed.

Please pray with us for our 'daily bread' (Mt 6:11)

Many of you already give generously and / or support other missionaries and organizations.

This honest message is not intended to put pressure or any obligation on you!

We value so much what you already do for us, **and we are very grateful!**

'DMG interpersonal' sees itself as a serving organisation and they would also like to spread the financial load, and you, our faithful supporters, are part of this spiritual fellowship.

'DMG interpersonal' is not bound to any group of churches, which provide regular contributions, which is why we as missionaries need our own circle of supporters.

In our flat here in Eisenstadt we have the Bible verse, **Philippians 4:19**, hanging on the wall: it is printed on tree bark in New Melanesian Pidgin, the everyday language of Papua New Guinea, **"My God will supply all your need according to His glorious riches in Christ Jesus."**

Many of our visitors see it and ask what it says.

Every time we are reminded that in the past we have experienced this in very real ways, through God's grace!

Can we ask you, please, to pray that the LORD will make up our shortfall and perhaps lay on the heart of more people the willingness to share in our missionary service?

Perhaps you know people that might be interested in getting to know us and supporting us personally.

That would be a great encouragement and a big help!

We are glad that through your dedication as our partners we can share this sensitive matter and our personal prayer requests with you.

Thank you!

May our faithful LORD bless you!

Yours with much gratitude, Hans-Georg & Margret
