"TT - EXTRA": Vienna Attack...

Dear Friends,

November 3rd, 2020

You might have heard of the attack last night in Vienna, Austria, approx. 55 km north of Eisenstadt, our place of living. Many of you have been reacting and sending mails and (WhatsApp-) messages...

Thank you so much for your words of sympathy and your precious prayers for our beloved country of Austria, for the citizens of Vienna and even beyond... for us!

What a privilege to have you side by side in times like these.

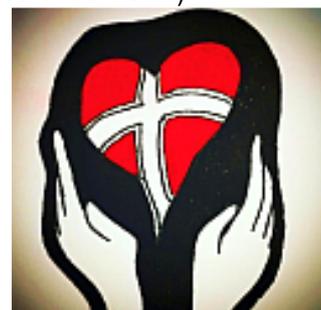

As we listen to the reports, one cannot imagine how terrified people can get in a situation like this.

Of course, we are reminded to similar attacks as those in New Zealand, France – indeed all around the globe...

But suddenly it feels so close and it happened in places that seem just too familiar to us.

We have so many friends in this very place and we are thankful enough that – to our knowledge – none of them got hurt though they are all in a complete state of shock. We all thought we would be safe on our 'island of the blessed' since it was many years ago that Austria had last been shaken by a disaster like that.

Indeed Austria is counted among the safest places to live in the world. In the twinkling of an eye, all of this has been profoundly shattered, on the eve of the start of another partial lockdown (stricter than in many other countries).

So, dear loving friends, thank you for standing with us in these times of uncertainty.

We are reminded to the Word of God in **Amos 3:6**:

“Does the war trumpet sound in a city without making the people afraid?

Does disaster strike a city unless the LORD sends it?”

Moreover, we are challenged: What is our task in all of this?

Jeremiah 29:7 reminds to the 'Shalom' of God in a city:

“Seek the peace and prosperity of the city...

Pray to the LORD for it, because if it prospers, you too will prosper.”

Thank you indeed and from all of our heart for every single loving and caring mail and message and all your prayers!

We cannot express our joy and deep appreciation to have friends like you all around the globe!

It is you that keep supporting and encouraging us in this great venture of serving together in the Highs and Lows of life. May you be blessed abundantly as you – together with us – seek to follow in HIS footsteps,

All our love in the Lord Jesus,

Your friends in Austria, Hans-Georg & Margret
