

TT – TRAVELLING TOGETHER (#150)

Newsletter from Family Hoprich // July 2022

Jubilee: „TT 150!“

It is almost exactly 13 years ago that you had our first “TT” by e-mail. And it is almost 40 years since we started working as missionaries with the DMG and serving God in this way.

And now we are pensioners! We have experienced so much with God and HE blessed us with so many gifts – are we going to simply lay it all aside and just do whatever we like as pensioners?

No, God has blessed us so richly and shown us so much mercy that we can do no other than to pass on something

of these riches!

As long as we are healthy in mind and body, we would like to carry on working as we did before. This has been made possible through an honorary contract with “**Hilfe die ankommt**”, (**Hda**) an Austrian organisation, which we had a crucial role in helping to set up.

Our tasks will be the same as before: **locally – nationally – worldwide.**

If you have any questions about this, even personal ones, we would be very happy for you to get in touch with us!

We are sooo grateful to God

Above all our friendships and contacts worldwide, above all the spiritual breakthroughs which had happened during this time, above all the support for valued co-workers, short-term and long-term, above all who have simply used their gifting and their means and provided many different kinds of support, it was the Lord Jesus who was always there for us. HE made provisions whenever we were clueless, kept us safe in situations where we only learnt of the danger later on, and blessed us where we could only see the immediate problems. In all our privations, our changes of location and the times we had to let

go of new friendships, HE always kept a close eye on us and led us through many crises. Today we are richly blessed with four loveable sons, an amazing daughter, three international daughters-in-law, a son-in-law from Styria and six much-loved grandchildren! Our warmest **THANKS** to you who have supported our work in prayer for so many years, and encouraged and blessed us with gifts and so many different kinds of support, and who, we hope, will continue to do so. Loving greetings and HIS blessings to you all!
